FLOWER ESSENCES

SATURDAY, MAY 14th, 10 am - 5 pm

Presenter: Rev.Dr. Cynthia Killion

Cost: \$25. Pre-Registration is strongly required, as only those who are pre-registered by Tuesday, May 10th are guaranteed to receive class materials (since these have to be prepared well in advance).

Flower essences are pure vibrational remedies that assist with healing and help to accelerate spiritual psychic growth and awakening. Join Rev. Dr. Cynthia (and the fairies too!) for this journey into learning more about these powerful little natural healers and how they can be of benefit to you on your own path of growth.

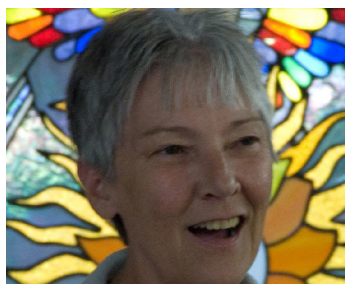

Never heard of flower essences before or don't know much about them? Don't worry, you can learn! Also, when you pre-register at http://www.cynthiakillion.com/floweressence_retreat2016.html, you will receive a complimentary 8 page class prep hand-out that will tell you more about it & help prepare you for class. Fairy blessings!

Keeping Up With The Board- President Karen Lyons

Dear Charles

Camp 2016 is right around the corner. The grounds are being prepared for your arrival. Any one who would like to help with the clean up is welcome. There is some painting to attend to as well. For those with day jobs, any weekend all help will be welcomed.

You should have received your Camp book electronically ([click here for printable version](#)) or in the mail. If you don't do computers, give Linda a call and she will see you get one. I am looking forward to Camp and seeing you there. The class lineup is full of new faces and some old tried and true as well. We have a good time in store for all. The Camp season is when the rubber meets the road and for two weeks the cares of the world are left behind. I don't want to see you miss out on this special time of the year. Please join us as often as you can.

The Body, Mind, Spirit Festival held in April was a great success. Thank you to all the vendors and attendees for giving me another fun weekend. After all, it is all about me! A big thank you to the ladies who furnished and donated dessert for the event. A special thank you to Jan Jensik the chief cook and bottle washer. Jan prepared the food for the festival and it was a big hit. If anyone left hungry, it was

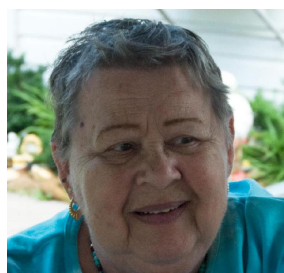

his own fault! Again, thank you Jan.

May 14 Rev Cynthia Killion will present a workshop on flower essence. Cynthia has provided a class preparation document with a lot of interesting and good information. I have this document available in the back of the sanctuary for you to pick up and go over prior to class. If you won't make it to church before class, Cynthia has made it simple to get to on her web site. I encourage you to take a few moments to register and access this document. I am looking forward to this workshop and seeing everyone again after a very long winter.

Happy Mother's Day. I'll see you soon at Camp! I send you Blessings and Love.

Karen
