Keeping Up With The Board- President Karen Lyons

Dear

The next Board meeting is going to meet on September 11th following a potluck lunch at the Church. We have changed the date due to the Labor Day weekend for those who spend time with family on this holiday weekend. It has been suggested that on Board meeting weekends, we consider a brown bag lunch as opposed to a potluck lunch. I am seeking comments on this proposed change so any thoughts you have please share with me or any Board member. You can also be heard at any Board meeting. All Board meetings are open to anyone who has an interest and would like to attend.

The Board of Trustees has caused a suggestion box to be placed on the table at the back of the Sanctuary. Your suggestions are always welcome, in the box or face to face.

Thanks go to Rev. Pat Yotter for the Reiki I & II class.

The September workshop on the Higher Mysteries of Spiritualism/The Seven Sacred Seals to be presented by Kevin Phillips has been put on hold. Kevin is very busy and has already committed to the October 29 workshop. Never fear, this is also an important subject and we will try to get it back on schedule for the Spring Workshop season. In the meantime, for September we will host a Free Healing Event. It was such a success last Spring that many asked for a do over. On September 24th we invite the public to visit the Camp and participate in healing. If you would like to offer to serve in this way, please notify Linda. Linda will find a space for you to set up "shop". If you would like to experience the power of Spirit Healing, reserve the date. All are welcome regardless their level of participation. Plan now to join us and tell your friends as well. If you have been thinking about checking us out, this is your opportunity to do so in a safe environment no questions asked.

October will be another busy time. On October 15 and 16th we will have our Body, Mind, Spirit Festival at the Wells Community Center. If you would like to rent a booth for this event, contact Linda and reserve your space. As usual, we will dine together at the Church the evening of the 15th and finish up our weekend event on Sunday afternoon.

October 29 Kevin Phillips will present a workshop on Sound Healing. I know many of you have requested this study from Kevin and are anxiously anticipating the date! Registration is not required but is recommended to help with planning meals and snacks.

We have a lot going on and several opportunities to serve. The new doors and windows have been installed. This Fall we hope to install siding to preserve our little cabins for at least another hundred years. Our Project Supervisor, Ron Glasgow must never sleep. Ron continues to do an excellent job. Thank you Ron for the tender loving care you give to our property.

Do you feel that the world has gone mad? This election season and events around the world seem to be spiraling out of control. It is an illusion. This is a friendly reminder, we are not of the world, we are merely in it. The concerns of this world are not my concerns. We are Spiritual beings on a Spiritual path, children of the Divine Light. Do not buy into the fear that things will only get worse. We are part of the solution, not the problem. When my thoughts stray from what I know is the truth, I repent. I change my mind. By changing my mind, I experience a change of heart. Love truly will cover a multitude of sin. I love you.

Suggestions?

Sue Tucker constructed and donated our new Suggestion Box located at the back of the sanctuary. Thank you Sue!

Marion Duer has been appointed to select a non-Board member to assist her in opening the box each month prior to our Board meeting and present the items to President Lyons for consideration on the Board's agenda. Marion offers the following:

In the back of the church there is a very powerful box. "How is it powerful?" you ask, "it is just a nice box". This is a Suggestion Box. That means everyone can make a difference at Church. Do you have a great idea for a change or addition to something at Sunset? Would you like to see something changed or added? Put a note in the Suggestion Box. Let's see all those great ideas you discuss with your friends end up on paper in the Suggestion Box. See what power there is in a nice little box.
