## Keeping Up With The Board- President Karen Lyons

Dear

The September Board meeting will be on the 10th. We have moved this meeting to avoid the Labor Day weekend. This meeting will follow a potluck lunch after class and church service at the Church. I invite anyone who wishes to attend.

The October membership meeting for the installation of Officers and Trustees elected at the August membership meeting will be on October 1. This meeting will also convene following a potluck lunch after church services.

Beginning in November, we are trying out a different schedule for the monthly Board meetings. On November 5th, the Board meeting will begin at 10:00 AM. Class will follow the meeting. Kevin Phillips is teaching a study of LaUna Huffines book "Healing Yourself With Light". Our potluck lunch will follow class for those who are able to stay. We are hoping this change will create an opportunity for more members to participate in the meetings of the Board of Trustees.

The "Solar Eclipse Watch" weekend was the best. Thank You to the Board of Trustees for sponsoring this event. A big thank you to Isabella Johnson for the class. We all very much enjoyed this informative class and so appreciate Isabella taking time out to spend with us. Isabella is always delightful and someone we all want to spend time with...even on Skype. Mary Stewart, thank you for your informative class on Indian Prayer Sticks. Everyone enjoyed the class and I saw some pretty art come out of it as well. Of course where one finds Rev. Charles Cox one finds fun. Charles thank you for coming up with the idea in the first place. A great weekend with some best friends!

September 16th and 17th Jodi Ana is offering beginning classes of Angelic Reiki at Sunset Church. The class actually begins on Friday evening the 15th. Registration is required. To register and for more information visit, <http://jodiana.com/angelic-reiki/>. I know Jodi is excited to begin her teaching mission at Wells and we are excited to be a part of it. There are a limited number of slots available because of the nature of the class, so if you are interested check it out and get registered.

Time does seem to be speeding up. The fact we know time is not really linear is, I believe, one of the reasons. As we seek to grow and learn, we change. Not all change is good, but when it is the result of growth, it is not only good it is imperative. Change can and should be the sign of growth. It is no longer acceptable to declare, that is the way it has always been. I intend no offense to our elders who have shown us the way. This month we buried the body of Leo Whitley. Leo is always the first to try a new and perhaps better way of doing things. Leo served quietly with dignity and grace. What I learned from Leo is that we will never know until we try, we will never learn unless we study, we will never see unless we look, we never hear unless we listen. Leo, I ask you to continue to keep watch over the Church and Camp. I will be listening. Up to your last breath, I saw you grow and never be afraid to change. I will always love you.
