Keeping Up With the Board – from President Karen Lyons

The Build A Bathhouse campaign has continued with Fall workshops. A big thank you to Cynthia Killion for bringing the September workshop on channeling. Almost five thousand dollars was raised thanks to the generosity of Cynthia, who gave of her time and resources as well as those who attended or donated through the web site. Javene loves going to the bank these days! I also thank those of you who volunteered and helped out in the kitchen. What a difference your help makes!

This month you will have two opportunities to attend workshops. Rev. Charles Cox will be back at Sunset Church this weekend to host a workshop. Do you ever become overwhelmed with all the facts, information, and tools we all have running through our heads? I know that I do. Spiritual downsizing may be exactly what I need. If you have thought you would like to come, but haven't made plans as yet, don't fret. There is always room for more. Come on out this weekend and join us. We'll find a place for you. Even if you just come out for Saturday, I know you will be blessed and we'll be glad to have you.

Following the noon meal on Sunday, the annual membership meeting will convene. Installation of the duly elected officers will take place as well as a report of the activities of the Board of Trustees.

Rev. Evadne Tuxhorn will close out our Fall workshop schedule. Those who know Rev. Evadne, also know a great student and teacher. Evadne has spent her life searching out truth and techniques for living in the moment; moment by moment. The workshop offered this Fall by Rev. Tuxhorn will examine the Mer-Ka-Ba. I am personally looking forward to this event and not just

because LaDonna Hauck will be doing the cooking. This opportunity does not come along every day or anywhere, especially at these prices. If you are ready to buckle down and concentrate, and study, with an open mind I'll see you there. If you are interested, but haven't made up your mind to attend, give Evadne a call. I'm sure Evadne will be happy to answer any questions you have and visit with you about the possibilities you will be introduced to at the Mer-Ka-Ba workshop.

I don't have my head in the sand. I hear the news. I am aware of the world political climate. I simply refuse to be a part of it. I remember the words that have been penned, "Be ye in the world, not of the world". Now is the time to walk the walk. Now is the time to be fearless. Children of the Divine Light, now is the time to shine.

Remember those who are facing physical challenges. Pray for each other. May it be true that the world will recognize us because of our great love for one another.

Psychic Development Circle
