Keeping Up With the Board – from President Karen Lyons

The time has come to begin preparation for Camp 2009. I would invite any member who would like to become involved with planning Camp to do so. The first Camp meeting will be on December 14 at 9:00 A. M. If you want to be involved, but can't make it to the meeting, call any Board member with your ideas, thoughts, or opinions.

Spring Workshops are already being planned so if you have ideas concerning what you can do to help or who/what you would like in the way of events, contact Linda Anderson or any Board member. I wouldn't wait too long.

The first Sunday in December we will hold our next Board meeting. The traditional pot-luck lunch will be moved to the Wells Community Center. The reason for the move? We anticipate the basement will not be available for our use. If the weather permits, workers will be in the middle of the insallation of the long awaited chair lift. I am so excited to see this project accomplished! This project has been on the back burner for a while now. This is a big step in demonstrating our desire for all of our members and guests to have full access to the fellowship our facility has to offer. I also wish to thank everyone who has taken up the cause and

helped to bring this project to fruition, especially some of our ministers who raised funds and donated their time, ability, and money to make this possible. And of course, Javene got into Leo and Eugene's hip pocket too.

At this time of year, Thanksgiving, it is natural to me to examine where I am and the world around me to acknowledge those things for which I give thanks. This is quite a process for me, but this year you immediately came to mind. Jesus is often quoted, "Ye shall know the truth, and the truth will set you free". Well, this won't be a surprise to anyone, for me it isn't an instantaneous thing. I am still discovering the truth. I find that the process is something like this for me. I am presented with a new idea. I consider the new idea. I examine that idea and eventually I recognize that it is truth. I am still discovering truth nearly everyday. I am thankful for you for your patience with me. I am thankful for you for helping me in this process. I am thankful to those of you who have not given up on me, who have provided me with a safe place in which to seek the truth. My gift to you is to do my best to do the same for you and for others who seek the truth on the grounds of Sunset Church. I am thankful for you.

The Build A Bath House campaign continues. Last month I announced that a challenge pledge had been made by the "second row". Eugene Whitley, Leo Whitley, and LeRoy Windhorst have all pledged \$500.00 dollars each with the pledge of \$500.00 from five others. We still need three additional \$500.00 pledges. I'm not begging.....yet. I'm just letting you know where we are at with this endeavor. If you can meet this challenge, please contact me or better yet, contact Javene. You may donate to this or any other project by visiting our web site. Your gift is tax deductible dollar for dollar. As the year ends, and you prepare for the tax season, don't forget the Church.

I pray that your Thanksgiving season is warm, with plenty of good food, and spent with those who love you. If you have any doubt, there's a place for you at my table. Grace and peace be with us all.
