Many thanks to those who have served as Guest Speakers in the past and will be continuing in the future: Jim Jagger, Sue Tucker, Erik Menke-Schuetz, Linda Lundberg, Allen Fitzner, Kevin Phillips, Karen Lyons, Rev. Evadne Tuxhorn. At this point our January schedule has not been confirmed, and since it does occasionally change from what is announced, our Facebook page has the most accurate listing. Our advice is, come whenever you can - you won't be sorry!

### Prayer Requests

**Pray for one another, that we may all be lifted up!**

All prayer requests are shared with the congregation each Sunday morning at Sunset Church. When requested, they are forwarded via e-mail as well. If you have a prayer concern, please call any Board member or e-mail... [prayers@sunsetcamp.org](mailto:prayers@sunsetcamp.org)

### Facebook Check-in

When visting Sunset Spiritualist Church & Camp, we would really appreciate your "**Check-in**" on Facebook and now that the camp is wired for wireless internet service, it's easier than ever! Thanks :)

Keeping Up With The Board- President Karen Lyons

Dear

The Board of Trustees will meet Sunday, February 7 following Potluck lunch. All members are welcome to attend and participate in all business meetings.

The Board is now in Camp mode. Suggestions for Camp 2016 need to be presented now. I know it seems that all we talk about is Camp. The Annual Camp season is the major event and function of the Church. We do

spend a lot of time discussing what worked, what didn't, and what might. The goal is to provide a safe environment for Spiritual investigation, sharing, and growth. It is important to the Board and will continue to be a priority. Camp dates are June 4 - 19, 2016.

Having said that, the Board has some fun weekends planned. First on the line up is a Mer-Ka-Ba class on February 6. Rev Tuxhorn will be offering this class to former students as well as new students who have an interest. Evadne asks for a registration fee of \$50.00. Please contact Rev Tuxhorn to register. Rev Tuxhorn will also be able to answer any questions you have. Cabins will be available to anyone who has a desire to stay over and meals will also be provided. A freewill donation is requested for services provided by the Church. I am looking forward to attending this class. It is always sweet to sit at the feet of an elder and Evadne is one of the most entertaining and thought provoking. This is not your daddy's Mer-Ka-Ba class.

March 12 the Board is planning a "Healing Weekend". We have had variations of this theme and find those who participate have a great time. We are asking Light/Energy/Body/Healing Workers to volunteer their time and services to provide free treatments to each other and attendees. Workers have an opportunity to observe and share and serve. Attendees have an opportunity to experience the love of God on a whole new level risk free. I believe this type of weekend is a win for all. As always cabins will be available and meals will be provided on a freewill donation basis. If you wish to participate in the "Healing Weekend", please contact Linda Lundberg. Some Workers have already signed on. We are in for a good time for sure.

April 16 and 17 it is time again for the Body, Mind, Spirit Festival. This event will be hosted by the Church at the Community Center in Wells. These Festivals are an excellent opportunity to let the community see what we are about in a no pressure setting. It is a great time to share your gifts in a fun atmosphere along with others of like mind and to get a little support from each other as well.

May 14 Rev Cynthia Killion will present a workshop on flower essence. This is a subject I do not have very much information about. I am looking forward to learning. Rev Killion always brings her A game. I know that even if you think you have no interest in the subject, you will. Of course cabins and meals will be available. Additional information will be made available as each workshop draws nearer. VP Crystal Shulz will also provide information on our Facebook page or you can always go low tech and give one of us a call.

As a reminder, we are planning as though we live in Florida. We don't. For all events keep an eye on the weather and remember it can be very different in Wells than where you live. If there is any doubt check before you drive. If an event has to be cancelled we get the word out as soon and widely as possible. Also remember the cabins are not heated. Make sure you bring plenty of bedding and a space heater if you have one. The Church only has a limited number of heaters available. 2016 is a very Happy New Year in deed.
