Many thanks to those who have served as Guest Speakers in the past and will be continuing in the future: Jim Jagger, Sue Tucker, Erik Menke-Schuetz, Linda Lundberg, Allen Fitzner, Kevin Phillips, Karen Lyons, Rev. Evadne Tuxhorn. At this point our January schedule has not been confirmed, and since it does occasionally change from what is announced, our Facebook page has the most accurate listing. Our advice is, come whenever you can - you won't be sorry!

### Prayer Requests

All prayer requests are shared with the congregation each Sunday morning at Sunset Church. When requested, they are forwarded via e-mail as well. If you have a prayer concern, please call any Board member or e-mail... [prayers@sunsetcamp.org](mailto:prayers@sunsetcamp.org)

Keeping Up With The Board- President Karen Lyons

Dear

The Board of Trustees will meet Sunday, April 3 following Potluck lunch. All members are welcome to attend and participate in all business meetings.

The Board has been busy planning Camp 2016. The final touches are being put in place and the Camp Book is beginning

to take shape. We expect to publish the book and have it ready for distribution the first week of April. Camp dates are June 4 - 19, 2016. Some of your favorites will be returning as well as the introduction of some new. This is an exciting and busy season for the Church and for the Board of Trustees.

The March 12 outreach "Healing Weekend" was a big success as well as a lot of fun. We met some very nice folks who had never been to the grounds before. I would like to thank all of the volunteers as well as participants for making the day so rewarding. We all had a good time just being together. It has been suggested that we try it again sometime. Let me know what you think.

April 16 and 17 it is time again for the Body, Mind, Spirit Festival. This event will be hosted by the Church at the Community Center in Wells. These Festivals are an excellent opportunity to let the community see what we are about in a no pressure setting. It is a great time to share your gifts in a fun atmosphere along with others of like mind and to get a little support from each other as well. As is our custom, Saturday evening after a hard day's work, we will gather in the Church Dining Room to share a meal. Those who aren't exhausted will be invited to participate in a circle. To reserve your booth space, contact Linda Lundberg.

May 14 Rev Cynthia Killion will present a workshop on flower essence. I have read a book and done a little research on this subject. I have found that Flower Power is real. I am looking forward to learning more on this subject from Cynthia. Rev Killion is an engaging entertaining teacher. You will enjoy spending the day with Cynthia regardless the extent of knowledge or interest you have in the subject. It is my belief that all creation has purpose. Cabins and meals will be available. Reserve your place by contacting Rev Killion on Facebook or Cynthia's web site. Rev Killion would like to have an idea of attendance numbers in order to have adequate class materials available for all attendees.

January and February are officially my losing months. The trend continued this year with the passing of a dear friend and a beloved family member. I currently have a family member and a dear friend of forty years on the verge of passing notwithstanding divine intervention. I really don't know where I'm going with this. The deaths I am speaking of were foretold by their doctors and expected. Yet we all face the possibility of sudden death every morning when we awaken and as we go about our daily routine. At our current level of evolution, the change called death will come upon each of us. "Precious in the sight of the Lord is the death of His own. To be absent from the body is to be present with God." My grief and sense of loss is an illusion. The reality of change is the purpose of our birth and an accomplishment in our evolution. We are One. We are The One. I send you Blessings and Love.
