SOUND HEALING

Saturday, Oct. 29, 9:00 a.m. - 5:00 p.m.

Presenter Kevin Phillips

Over the years, Kevin has given us snippets of information regarding the healing quality of sound, particularly specific tones. This is a workshop we have been eagerly anticipating for a long time! Many of us have studied tuning forks, singing bowls, vibrational tones, etc. as healing modalities. Kevin's extensive knowledge covers these and more, including the how and why of the sound healing effects. This workshop, as has been our practice, is offered on a free-will donation basis. Please contact Linda to reserve your spot, reserve a cabin if needed, and assist us in planning meals.

Keeping Up With The Board- President Karen Lyons

Dear

The next Board meeting will convene on November 6 following a potluck lunch at the Church. All Board meetings are open to anyone who has an interest and would like to attend.

On October 15 and 16th the Church will host the Body, Mind, Spirit Festival at the Wells Community Center. If you would like to rent a booth for this event, contact Linda and reserve your space. As usual, we will dine together at the Church the evening of the 15th and finish up our weekend event on Sunday afternoon. For this event, I intend to set up a table with books which will be made available to anyone who wishes to have one for a donation. The donations will be used for the building fund. If any of you have books gathering dust and would like to bring them along, feel free to do so. Books are always looking for good homes.

October 29 Kevin Phillips will present a workshop on Sound Healing. Registration is not required but is recommended to help with planning meals and snacks. Following the class, Marion Duer will be hosting a Halloween party in the basement of the church building.

It doesn't seem possible, but it is true, work has begun on Camp 2017. If you have any

suggestions, are preparing a class, have a favorite you would like to see invited, now is the time to speak up. Make your suggestions or volunteer for class by contacting any Board member. You can also just attend a Board meeting and speak up. We plan to begin contacting the folks you have suggested as workers next month so don't delay. It will be time for Camp before we know it.

If you have been thinking that you would like to present a workshop, or if you have been thinking of a topic you would like to learn more about, please contact any Board member and share what you are thinking. The Board of Trustees has an obligation to provide classes and opportunities for teaching. The Board takes this responsibility very seriously. The Board wants to provide what you want, so let us know.

If you have not heard, this past week LeRoy Windhorst passed. Frankly, I don't know what to say. There are so many thoughts and memories of LeRoy. LeRoy is a descendant of the early Settlers who arrived in Ottawa County in the early 1870's. Through financial sacrifice, blood, sweat, and tears those folks founded a little Spiritualist church. Our elders, including LeRoy, inherited this responsibility from their fathers, who inherited it from their fathers. The legacy was faithfully guarded resulting in a beautiful well kept facility with some modern conveniences while maintaining the integrity of our rich inheritance. As president of the Board of Trustees, I try to never forget how and why the church was born. LeRoy, I will do my best to honor you and heed the great example of faithfulness you have set for us all. Thank you for never giving up, for never losing hope, for never quitting.

I love you.

Karen Lyons
President of the Board of Trustees
