Facebook Check-in

When visiting Sunset Spiritualist Church & Camp, we would really appreciate your "**Check-in**" on Facebook and now that the camp is wired for wireless internet service, it's easier than ever! Thanks :)

CAMP 2018: June 9th- 17th

At the annual membership meeting in October a motion passed that changes the duration of our annual Summer Camp from 2 weeks to 9 days. Camp 2018 will begin on Saturday, June 9, and conclude on Sunday, June 17. This change is the result of a trend in recent years of the first week being considerably busier than the second week of Camp. We'll give this a try and see how it goes. So mark your calendars now and plan to join us! If you are interested in being a Reader or Body Worker, or know of someone you would like us to invite to work, the time is now to let us know! Please contact any Board member as soon as possible with your requests. We will be making decisions in December and finalizing plans in January so the sooner we hear from you, the better!

Change in Sunday Morning Schedule

We're trying a new format for first-Sunday-of-the-month. On the first Sunday, the Board will meet at 10:00 a.m., followed by Kevin Phillips teaching the Healing Yourself With Light class or a healing service, followed by potluck for those who wish to stay and participate. Anyone interested is welcome to attend the Board meetings, and perhaps moving it to earlier rather than after lunch, even more of you will be able to join us. The rest of the month, we'll be on the regular 10:00 a.m. class, 11:00 a.m. church schedule.

HAVING SAID THAT...

In December, due to scheduled absences of several Board members, December 3 will be the 10:00 class / 11:00 church schedule, and the Board meeting will be on the SECOND Sunday, December 10.

We hope these changes aren't too confusing - when in doubt, call one of us!

Keeping Up With The Board- President Karen Lyons

Dear

The December Board meeting will be on the 10th. The Board meeting will convene at 10:00 AM (the usual time for class). Class will convene at 11:00 AM (we are studying LaUna Huffines, "Healing Yourself With Light" under the leadership of Kevin Phillips). At the conclusion of class, potluck lunch will follow in the

dining room.

The Board is currently working on Camp 2018. As always, we want your input. Please contact any Board member with your ideas for the activities you would like included in the schedule. For a class you are willing to teach, please notify Linda. Please also keep in mind that the Camp Season will be shortened to nine days in 2018. Don't drag your feet this year. Start making your plans now to attend. I am pleased to let you know that the workers I have reached have all been very positive about this change. I am becoming more and more excited.

The Fall is quickly overtaken by Winter. I want to remind you to keep your eye on the weather and remember to check on conditions in Wells. This is Kansas and while the sun is shining in Salina or Mankato, it may be a blizzard in Wells. As usual we try to reach out through email if we know the weather is not good. Don't take chances. If in doubt, stay home. Kansas roadways in winter can become deadly.

Rev. Charles Cox once asked me if the Board was ever NOT working on Camp. The answer is yes. There is about one month out of the year when the Board is not actively working on Camp. For me, there is never a time when I am not thinking about Camp. I love Camp. Camp is the time I know I will see the fruit of our labor. People that I only get to see once or twice a year will come.

People I have not seen for whatever reason in several years will come.

People I have never met who have found our web site will come. People that I see and work with every Sunday will come. To me, Camp is a time of promise. There will be challenges that will be met. There will be those in pain that will be healed. There will be those who will find that they are not alone. Camp is the one time of the year that we are in one place and of one mind with one goal. As LeRoy Windhorst often reminded me, our Camp is a teaching Camp.

It isn't just the Board. The entire Church helps get ready for Camp. When everything is ready, we will eagerly await your arrival.

Universal Law #1: We are all one. Whatever differences we may think we have, they are an illusion designed by the ego to deceive us. In reality it is this illusion which diminishes us not our brother.
