Keeping Up With The Board- President Karen Lyons

Dear

Camp. Every preparation is being made for your arrival. Don't forget that the Camp season will be shorter this year, 9-17 June. Many of you have already made your reservations. If you have not yet done so, don't delay.

The cabins are filling up. During your stay this year, we will be asking for your opinion concerning the length of

Camp and the dates. We want to know what you think.

The new roofs are on. The biggest improvement that you will notice is taking place in the Seance Building. A new cooling system has been ordered and will be ready. The Board has researched how to keep the temperature comfortable while the medium does not have to yell to be heard above the air conditioner.

We believe we have the problem solved and are excited for you to have a great experience at circles this year. A big thank you to JodiAna who actually got this project started with a very generous donation. JodiAna is off on an adventure this year, but when she comes back, I think she will be well pleased with the result.

The theme for Camp 2018 is "Love and Light". Emanuel Swedenborg said that Love is warmth and Light is knowledge. There will be plenty of both at Sunset Camp just waiting on your arrival. We have plenty of talent on the schedule this year no matter when you choose to arrive. And don't worry, we'll leave the light on for you.

Karen Lyons
President of the Board of Trustees
