A big thank you to all who attended and/or worked Camp 2018! We are pleased to have had another successful Camp, and blessed to have this opportunity and our beloved church/camp grounds to enjoy. A special thank-you to Ron Glasgow for, as always, working tirelessly to assure that the grounds are beautiful, well-maintained, and ready for all of us, not only for Camp but for every day all year! We are grateful for Ron's example of a life of service, and blessed to have him in our lives.

## Keeping Up With The Board- President Karen Lyons

The August Board meeting is scheduled for August 5th. This is the Annual Membership meeting for the election of Officers. The meeting will convene at about 1:00 PM after class at 10:00 AM, and service at 11:00 AM followed by potluck lunch. I encourage you to attend this meeting if at all possible. We will also choose dates for Camp 2019.

At the July meeting, the main topic of discussion was Camp

2018. The dust has settled and the Board is very pleased with the outcome of Camp. By all accounts we enjoyed a successful Camp season and all agreed that we will do it again! The Board wishes to thank you for your participation and support. Many lives are touched each year during Camp and lives are forever changed. I hope you are as proud as I am of you for the wonderful work you do.

The Board is planning several upcoming events beginning on 18 August with an Iridology class presented by Betty Russell. 22 September Sandra Williams will teach a class on channeling and present herself as a conduit for messages from Spirit. Participants are welcome to arrive on Friday for any and all of the events planned. The Church will accept donations for meals and cabins which will be available for all attendees.

This week the story in the news was the soccer team rescued from a flooded cave. Divers, engineers, military, and civilian, rescue workers from all over the world came together for what has been termed a miraculous outcome. Pray for the nations of the world. We are all one and together we can be better.

President of the Board of Trustees
