Keeping Up With The Board- President Karen Lyons

The September Board meeting is scheduled for September 2nd. The meeting will convene at 10:00 A.M. and will be followed at about 11:00 A.M. by a healing/message service. I realize this meeting falls on Labor Day weekend, and many of you may already have plans. September is so full, there aren't any good options for moving the meeting. I hope you will be able to attend, but I also understand the need to use holidays for family time and relaxation from the stresses of everyday living in this crazy world.

At the August meeting, the membership chose June 1 - 9 2018 as the official Camp dates for 2019. It is not too early to mark your calendar and start thinking about the workers, and class topics that you would like to see planned. The Board members welcome your input as we will soon begin getting ready for another Camp season.

The August Iridology class went very smoothly. A big thank you to Betty Russell for bringing this class to Sunset. The work that Betty does is very important and touches many lives in a positive way, bringing us to a discovery of better health. I am always reminded by Betty that the Earth truly contains everything we need to take care of our bodies and enjoy good life and good health. I would like to thank all those who helped to get the grounds ready for this event so that guests could fully enjoy the beauty of our facility. Of course we all like to eat and for that, thanks to Linda Lundberg who saw to it that everyone ate!

Our next event on 22 September will be a class on channeling presented by Sandra Williams of Perkins, OK. Why channeling? Channeling is a very effective tool in Spirit communication. Channeling is important to Spiritualists in accessing

information from Spirit that our rational minds block. For many it is the first step in Spirit communication. After dinner that evening, a message service will be conducted and will be both informative and entertaining. Make your plans now to attend. We ask that you contact Linda Lundberg if you need a cabin and to let her know you will be wanting a place at the table to help with meal planning. This workshop is being presented for a freewill donation. The proceeds will offset the cost of the recent improvements to the seance building. I look forward to seeing you there.

October 13 Sherry Scheffer will present, "Meet The Stones". After Sherry completes her remarks, we will take a lunch break. After lunch for the rest of the afternoon, Healers have volunteered to provide their services free for all who come. If you can't make it Saturday, the Healers will also be available Sunday afternoon. This event has been a lot of fun and very well attended in the past. We are excited to give it another go. If you are a Healer, or a Novice who would like to get free experience, please contact Linda Lundberg. Just tell Linda you would like to serve. It is just that simple. The Church will provide you with a space in which to work. Also let Linda know if you will be staying in the cabin yourself for this event. Free will donations will be accepted as always.

This week Marge and Ron Glasgow celebrated their sixth-third wedding anniversary. Yes. I said 63rd. Ron and Marge have been married most of my life. When I think of how they have worked together over the last sixty-three years for a common goal, I am a little in awe. I know it hasn't been all easy, but they never lose sight of the goal. When they reach one goal, they set a new one. Marge and Ron have learned they can do anything together. What a good example of what can be accomplished through mutual love and respect. I have said many times that I am on step one, be nice. I think now that I have taken this moment to take stock, it is high time I move on to step two, be loving. Thank you Ron and Marge for your patience and for being in my life. Pray for our elders and give thanks for the example they are setting for us. I also pray that I won't let you down. We are all one.
